The petition under 37 CFR 1.182 is **granted**.

This application became abandoned for failure to timely reply to the Office action mailed March 1, 2001, which set a one month or 30 day period for reply. No extensions of time having been obtained pursuant to 37 CFR 1.136(a), this application became abandoned on April 1, 2001. The filing of the petition under 37 CFR 1.137(b) precedes the mailing of A Notice of Abandonment.

The statement of unintentional delay presented in the petition does not comply with the current rule. 37 CFR 1.137(b)(3) requires a statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional" be submitted. However, the statement presented will be accepted and construed as meaning that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional." If this is an incorrect interpretation in view of the rules, petitioner is required to provide a statement to that effect.

Regarding the petition under 37 CFR 1.182, the file is being forwarded to the Office of Initial Patent Examination for changing the order of inventors from:

1. Lanfong H. Lee
2. Patricia Guerry

3. Edward Burg
